

17th Symposium Sensor Data Fusion: Trends, Solutions, and Applications

CALL FOR SPECIAL SESSIONS

The Organizing Committee of the 17th Symposium Sensor Data Fusion (SDF 2025) is welcoming proposals for Special Sessions on trends, solutions applications of sensor data fusion. Proposals that address “breaking news” research or topics that go beyond the typical approaches or may be difficult to categorize for the regular sessions are of particular interest. This increases the visibility of such a topic and allows for an in-depth and comprehensive discussion.

Special Session Proposal Requirements

Each special session proposal should contain:

- the title of the proposed special session,
- the names and affiliations of the organizers, including a brief bio and contact information,
- a short session abstract motivating its importance and relevance to the audience and society
- a list of three or more invited papers including a tentative title, author list, and a short abstract for each paper.

As a prospective special session organizer, we further invite you to chair your special session yourself as well as support us during the reviewing process.

Submission and Deadline

Special Session Submission Deadline: **July 1st, 2025**

Please submit your proposal by e-mail to sdf-symposium@fkie.fraunhofer.de.

For more information on the special session proposals and the approval process, please visit our website: <https://www.fkie.fraunhofer.de/en/events/sdf2025.html>
